

Isla Coiba Sailing Cruises

Come spend 5 magical days onboard the Azuleta, a 90' wooden sailboat to explore the incredible natural beauty and biodiversity of Isla Coiba.

Isla Coiba is a UNESCO World Heritage site and a National Marine Preserve. It is a former prison island, so it has kept its pristine natural state. On and around the island you can see and maybe even swim with friendly dolphins, whales, whale sharks, manta rays, sea turtles and their nesting areas, world class snorkeling around coral reefs and colorful tropical fish. Isla Coiba is also a bird watchers paradise with wild scarlet macaws, endemic bird species, monkeys, iguanas and crocodiles.

Live on board the Azuleta, a spacious 90' sailboat to explore Isla Coiba in relaxing luxury with 4 private cabins and 1 master suite with 3 bunk beds. Each week will be accompanied by an expert Naturalist guide to teach you about the island, its history and incredible biodiversity.

February 2-7 Natural Coiba A fun and fascinating week to see and maybe even swim with dolphins, whales, whale sharks, manta rays, sea turtles, and to hike and observe wild scarlet macaws, monkeys and crocodiles. Led by Anne Gordon de Barrigon

February 9-14 Bird Watching trip. This week will focus on the unique species of birds, dolphins, marine and terrestrial life found on and around Isla Coiba. Led by one of Panama's foremost bird watching guides.

February 16-21 Reconnect with Nature on this Spiritually themed trip. Meditations, Dolphin & Whale energy group healing sessions, and wisdom messages from nature. Led by Anne Gordon de Barrigon.
